

Having traveled around the world and stayed in some of the best hotels, I found myself becoming rather blasé and somewhat hard to please. Until, that is, I experienced the Indian Ocean Islands, and in particular, the Maldives and Mauritius.

If there is a paradise on Earth then surely this is it... No cars, no traffic jams, no construction, just peaceful nature all around, totally stress-free luxury; this is the Maldives, and only a 4-hour flight from Dubai.

Those not wanting to cut themselves off too much from civilization can head to Mauritius, an easy 6-hour flight from Dubai.

Enjoy!
